We take birthdays very seriously and we believe that you should too! If you're looking to treat yo'self to the drink of all drinks on your special day, then our sexy birthday box cocktail is exactly what you need. It has a delicious spring punch inside, topped off with bubbly and illuminated by the sparklers that surround it. The best part is that it is served in an oversized gift box ensuring that heads turn and that you are the centre of all attention. It's one of a kind, just like you.

We have partnered up with The Smile Foundation and with every birthday box cocktail sold, R70 will be donated to the charity. Please ask your waitron if you would like this donation removed from your bill.
